SIMPSONS MEMORIAL LTD was founded as part of an eight (8) chain funeral home organization, established in 1945 by Samuel David Levenson Savory Simpson, who was born in Barbados and migrated to Trinidad and Tobago in the 1930s in pursuit of a better life.

Driven by passion and innovation, Mr Simpson procured multiple plots of land throughout Trinidad and Tobago. During Mr Simpson's working years, he established multiple revenue streams in varying Industries such as a Furniture Building Company, a Funeral Home Organization, a Hardware and Transportation Company, a Hotel, a Food & Beverage Business, and a Tire Shop to list a few.

Mr Simpson was an ardent and ambitious businessman. Although he owned and managed all of the above-mentioned businesses, his main focus was Simpson's Funeral Home Ltd, an establishment which he built into an eight (8) chain organization with branches operating and dominating in Port of Spain, Laventille, San Juan, Couva, Marabella, Rio Claro, Point Fortin and Tobago.

Under his stewardship, the funeral home business was transformed by his pioneering coffin designs and out-of-the-box operational skills. A man of wisdom & integrity, his watchwords will forever remain in our hearts: " the heights that great men reached, were not attained by sudden flight, but they, while their companions slept, were upward toiling through the night! "
